

New Hampshire Chapter of NATP c/o Chris Sawyer

On behalf of all of us at the New Hampshire Food Bank, thank you for your gift of 300.00, received on 05/26/2017. This generous donation will help us to continue the fight against hunger in the Granite State.

Look around and you will see how your gift impacts the many faces of hunger right here in New Hampshire. It's your underemployed neighbor struggling with the decision to pay rent or buy food, your child's friend at school whose mother is facing unexpected medical issues, the senior who is trying to maintain their independence on a fixed income, more often than not, it is the person you would least expect. Hunger is not always obvious yet it is a daily struggle for 1 in 9 men, women and children living right here in New Hampshire not knowing when or where their next meal will come from. With the help of so many incredibly generous donors like you, we were able to provide over 12 million pounds of food last year to more than 400 food pantries, soup kitchens, senior centers, children's programs, and other human service agencies throughout the state. Your investment in our organization not only helps provide the critical resource of food to our neighbors in need, it also strengthens our focus on continuing to find ways to end the cycle of hunger.

Please know how very much we appreciate your gift. We are truly indebted to individuals and businesses who, like you, unselfishly give of their resources, time and talents to help us strive for a food secure New Hampshire, and for that we are truly grateful.

Warmly,
